

## Bus Registration

Dear Parents,

Good day to you from School Transport Services (STS).

We would like to welcome you to STS, a company service brand operated by School Transport Services LLC (STS). We pride ourselves on being the UAE's leading private school transport operator.

We are extremely pleased that we will now be operating services for Safa British School. All transport services at your school will be managed by STS with effect from September 2020.

We understand that changing providers can be a daunting process for parents, but we want to assure you that we have a dedicated and experienced operations team that will ensure the transition of services is smooth with limited disruption to current operations. We will also have dedicated personnel assigned to Safa British School, to answer any queries you might have.

The link for registration has been sent along with this letter. We request you to register before **20<sup>th</sup> August**, to ensure you secure a seat for your child. We will share exact timings and routes towards the end of August, once everyone has enrolled for the service.

Please find the details below for your dedicated Service Delivery Executive and do not hesitate to contact with any queries you may have.

We are all looking forward to providing transport services at your School and educating your children on road safety.

In the meantime, please stay safe.

Regards,

STS Team
